

WHEN OUTDOOR ENTHUSIAST JANINE VIEYRA STAYED IN THE NEW REHAB PAVILION AT THE WEILS... SHE GOT HER STRIDE BACK.

“After my car accident I was afraid I would never walk again. The dedicated rehab therapists, nurses and homecare team not only taught me how to get back on my feet, but also how to enjoy my favorite outdoor activities again. I couldn’t have done it without them. They cheered me on every step of the way, and my confidence continues to grow.”

The innovative 29-bed rehabilitation therapy pavilion on The Weils campus in Chagrin Falls offers a soothing, healing and serene environment for short-term, post-hospital nursing and rehab therapy care.

Our rehab therapists focus on helping individuals maximize their independence, regain their strength and reach their goals.

Skilled nursing combined with physical, occupational and speech therapies make The Rehab Pavilion at The Weils the perfect place for recovery after an illness, injury or surgery. Our dedicated team helps you get stronger and prepares you to transition home.

Private rooms with flat-screen televisions, wireless connections and warm lighting – coupled with beautifully appointed common areas including fireplaces, cozy seating and a central courtyard garden – all contribute to therapeutic and wellness benefits.

If you or a loved one needs post-hospital care, call now for a tour. Admissions are accepted seven days a week.*
